Greencastle Regatta & Festival 2026

Welcome to the Greencastle Regatta & Festival 2026

A warm welcome to everyone joining us for this year's Greencastle Regatta & Festival.

This special weekend celebrates our maritime heritage, strong community spirit, and the unique charm of our village.

We're proud to bring you a fantastic programme of events, entertainment, and family fun for all ages.

Thank you to our volunteers, sponsors, and supporters who make it all possible.

Have a wonderful weekend and enjoy everything Greencastle has to offer!

We would like to express our sincere thanks to Councillors Ali Farren and Martin Farren for their continued support of the event.

We also thank Inishowen Maritime Museum,
St. Colmcille's National School,
Greencastle Community Centre and
The Ferryport Bar for the use of their facilities.

Road Closures and Locations

Please note that in order to maintain a safe environment for all involved in the events of the weekend.

There will be road closures in place from the junction at Milltown Harbour and the R241 and also from the junction at the R241 and Poundtown Road from 7pm-1am on Friday and 5pm to 1am on Saturday and 2pm-12am on Sunday.

The R241 will be one way from the Fishery School to the Golf Club to allow the safe completion of the Colour Run on Saturday 8th August in the morning.
